The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

"I am requesting a funding level of \$1,200,000 for the Malibu Canyon Road and Kanan Dume Road Tunnel Lighting Upgrade Project as a community project funding request in fiscal year 2026. The intended recipient is the Los Angeles County Department of Public Works, located at 900 S. Fremont Avenue, Alhambra, CA, 91803. The project would be a valuable use of taxpayer funds because the existing tunnels which are part of the major highways along Malibu Canyon Road, Kanan Road, and Kanan Dume Road are overdue for the rehabilitation of the electrical power distribution and lighting system to make the installation compliant with the latest tunnel design standards and the County of Los Angeles Electrical Code requirements.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family."

Sincerely,

BRAD SHERMAN
Member of Congress
