The Honorable Tom Cole
Chairwoman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

"I am requesting a funding level of \$1,500,000 for the Camp Bloomfield Habitat Restoration as a community project funding request in fiscal year 2025. The intended recipient is the Wayfinder Family Services, located at 5300 Angeles Vista Blvd. Los Angeles, CA 90043. The project would be a valuable use of taxpayer funds because the funding would be used for the natural restoration of the Camp Bloomfield property in the Malibu Coastal Zone and transformation of the land into a public open space for recreation, conservation and outdoor experiences.

The project has a Federal nexus because the funding provided is for purposes described in the Coastal Zone Management Act of 1972 (16 U.S.C. § 1451 et seq.).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family."

Sincerely,

BRAD SHERMAN
Member of Congress
