The Honorable Kay Granger  
Chairwoman  
House Committee on Appropriations  
Washington, DC 20515

The Honorable Rosa L. DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

"I am requesting a funding level of \$3,000,000 for the Los Angeles Fire Department Station Renovations as a community project funding request in fiscal year 2024. The intended recipient is the Los Angeles Fire Department, located at 201 N. Figueroa St. Los Angeles, CA 90012. The project would be a valuable use of taxpayer funds because the funding would be used to rehabilitate fire stations, which are critical for local economic development, and such building enhancements are needed to increase public safety and reduce socioeconomic risks associated with the spread of fires – thereby attracting business investment, creating jobs in the community, and improving local employee retention.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4), and does not meet the definition of 'buildings for the general conduct of government' within 5302(a)(21).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family."

Sincerely,

BRAD SHERMAN  
Member of Congress
