The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting a funding level of \$3,000,000 for the Post Wildfire LAFD Fire Station Improvements - Next Phase as a community project funding request in fiscal year 2027. The intended recipient is the Los Angeles City Fire Department located at 200 N Main Street, Los Angeles, CA 90012. Following the 2025 wildfires, additional fire stations were identified as in need of improvements and upgrades. This project addresses additional deferred maintenance identified at multiple aging fire stations within CA32. This project is an appropriate use of taxpayer funds because it upgrades aging fire stations restoring safe, sanitary conditions, protecting personnel health, and ensuring reliable emergency response.

The project has a federal nexus because the funding provided is consistent with purposes described in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad Sherman".
