The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting a funding level of \$1,872,000 for the Malibu Canyon Road Rockfall Mitigation and Erosion Control Project as a community project funding request in fiscal year 2027. The intended recipient is the Los Angeles County Department of Public Works located at 900 South Fremont Avenue, Alhambra, CA 91803. This project will assess and design features of a rockfall mitigation system and erosion control measure along Malibu Canyon Road to reduce the frequency and severity of storm-related closures, improve public safety, and ensure reliable access for residents, schools, and emergency services. The project is an appropriate use of taxpayer funds because it will reduce the frequency and severity of storm-related closures, improve public safety, and ensure reliable access for residents, schools, and emergency services.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad Sherman".
