

CALIFORNIA, 32ND DISTRICT

CONGRESSMAN BRAD SHERMAN

March 26, 2026

The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting a funding level of \$1,711,000 for the Posetano Road Stabilization Project as a community project funding request in fiscal year 2027. The intended recipient is the City of Los Angeles, located at 200 N Main St Suite 1500, Los Angeles, CA 90012. This project will fund construction of a new 72-ft long, 6-ft high bulkhead on Posetano Road in the Pacific Palisades, restoring lateral support to the roadway and eliminating a safety hazard for vehicular and pedestrian traffic. The project would be a valuable use of taxpayer funds because this safety related project stabilizes a threat to public safety and allows for safe transportation and pedestrian conditions.

The project has a federal nexus because the funding provided is consistent with purposes described in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad Sherman".
