The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting a funding level of \$1,200,000 for West Valley Police Station Technology Funding as a community project funding request in fiscal year 2027. The intended recipient is the Los Angeles Police Department (LAPD), located at 100 West 1st Street, Los Angeles, CA 90012. The funding would provide critically needed technology upgrades that would directly support the LAPD's West Valley Police Station strengthening situational awareness, increasing investigative capabilities, and improving overall operational efficiency for public safety. This project would be a valuable use of taxpayer funds because upgraded equipment will improve response coordination, encompassing a vast geographic area with diverse regions of residential neighborhoods, retail corridors, and major transportation routes.

The project has a federal nexus because the funding provided is consistent with purposes authorized in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad Sherman".
