CONGRESSMAN BRAD SHERMAN

March 18, 2026

The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting a funding level of \$1,500,000 for Winnetka Community Clinic Improvement Project as a community project funding request in fiscal year 2027. The intended recipient is El Proyecto del Barrio, Inc., located at 8932 Woodman Ave, Arleta CA 91331. This project will allow for limited-scope renovation and equipment purchase for a Federal Qualified Health Center, impacting 40,000 patients and 120,000 annual visits. This project would be a valuable use of taxpayer funds because these investments will allow for the delivery of efficient, cost effective, and accessible care for all residents while helping prevent worsening health conditions across the community.

The project has a federal nexus because the funding provided is consistent with purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brad Sherman".
